

Remind Sign Up Information

Remind is a way for teachers to text message students and stay in touch with parents. This service is **FREE** and all phone numbers are kept private. In order to sign up for messages about assignments or other information from Mr. Little, follow the steps listed below:

*Standard text message rates apply.

- 1) Create a new text message from your cell phone to the number shown in the picture above
- 2) Be sure to text the message EXACTLY as given in the picture (each class will be given a different message to send)
- 3) After sending, you will receive a text message asking you to reply with your name, completing the registration process

***Note: Students will NEVER see the teacher's real phone number and user phone numbers are NEVER visible to the teacher! Users cannot reply to any message sent by the teacher. You will continue to receive messages from Mr. Little until the end of the course or until you unsubscribe from the service.**
